WELCOME TO DOILY'S

We are a family run tearoom uniquely situated within the farmhouse and gardens of our working farm. Our family has farmed in Bolton Percy for generations and today we continue to do so alongside our tearoom and bed and breakfast.

Doily's is named after our Granny, it is her middle name, and years ago we said how much fun it would be to open a tearoom and call it doilies, or Doily's, after Granny. On Yorkshire Day in 2003, with all the family involved, we opened up the farmhouse to the public.

We are proud of our farming roots and Yorkshire's unique food and farming heritage. We aim to support local small scale producers who enable us to provide traditional homemade fare for your enjoyment.

OUTSIDE CATERING

The Doily's team are highly experienced, professional and are committed to producing high quality, affordable homemade food for your special event. We cater for baby showers, christenings, birthday parties, hen parties, weddings, anniversaries and funerals in our tearoom or at your chosen venue and we would be delighted to be of service to you.

To discuss your requirements please telephone or email so we can help create your perfect occasion.
